

Bayes Alumni Awards Terms and Conditions

1.0 Alumni eligibility and judging process

1.1 Alumni eligibility

- The nominee must have completed an undergraduate or postgraduate degree offered by the Bayes Business School.
- Alumni who have previously won an award in any category will not be eligible to win the same award again.
- Deceased alumni are ineligible for nomination (no posthumous awards will be made).

1.2 Judging process

- Eligible nominations will be shortlisted by the Bayes Alumni team. The shortlisted nominations will then be passed on to the panel of judges.
- The judges will select the winner for each category based on the published criteria and their decision will be final.
- No communication will be entered into with any person in relation to any decision by the alumni team or judges.
- If there are no nominees considered of sufficient merit in any of the categories in any year, the judges may choose not to make an award in any of the categories.

2.0 Nominations and winners

2.1 Eligibility to nominate

- Nominations can be made by members of City St George's staff and by Bayes Alumni.
- Self-nominations are accepted.

2.2 Submission details

- All nominations must be made in English.
- The nominator must complete and submit the nomination form by 5pm BST on Sunday 11 October 2026.
- The nomination form must be completed in full to be considered. Please ensure sufficient information is provided to enable fair consideration to be given.
- Incomplete nominations or those that do not fulfil the criteria will not be considered.
- Changes to nominations will not be accepted after the deadline has passed. Awards will not be made based on the number of times a person is nominated.
- Nominators must select one category for each alumni they nominate.
- Alumni who receive nominations in more than one category can only be considered in one category.
- Should you wish to change the category which you have chosen for the nomination, you will need to withdraw your nomination from that category and resubmit in another category by the deadline of 5pm BST 11 October 2026. See 2.3 for details about withdrawing your nomination.

2.3 Withdrawal from the Alumni Awards

- Nominations can be withdrawn any time before 11 October 2026. Notice of withdrawal must sent via email to alumni@citystgeorges.ac.uk

- In the event of a successful nominee declining to accept the award, the judging panel may choose, but is not obliged, to offer the award to an alternative nominee.

2.4 Announcement of the winners

- Award winners (or their nominator) will be informed via email in November 2026
- Nominators whose nominee has won an award, will be notified and will be asked to reach out to the nominee and put them in touch with Bayes Business School
- Awards winners will be asked to commit to an interview and to provide a photograph of themselves in preparation for the awards announcement.
- Award winners will be formally announced alongside the celebratory event in London in early December 2026.

3.0 Award criteria

- The criteria for awarding the Alumni Awards for each category is outlined on the Awards webpage. Nominators must ensure that nominees meet eligibility criteria for the award in which they are being nominated.

4.0 Personal data

- City St George's, University of London is a personal data controller registered with the Information Commissioner's Office. We process personal data in accordance with UK data protection law and the [Philanthropy, & Alumni and Supporter Relations Privacy Notice](#).
- Personal data provided as part of the Alumni Award nominations will be processed for the purposes of shortlisting nominees and selecting and contacting winners, as described in these Terms & Conditions.
- In addition, personal data will be processed in accordance with the [Philanthropy, & Alumni and Supporter Relations Privacy Notice](#). See the privacy notice for further details, including your rights to withdraw consent, object to marketing, and access or erase the personal data we hold or restrict its use.
- If you have preferences as to how the University contacts you, or would prefer not to receive communications from us, you can let us know by [completing this form](#).

4.1 Special Category Data

- Special category data is any data revealing or concerning an individual's racial or ethnic origin, political opinions, religious or philosophical beliefs, health, sex life, sexual orientation, trade union membership, genetic data or biometric data. We do not ask for or require this type of data but sometimes it may be relevant to a nomination.
- If you are nominating someone else and wish to include special category data about them in your submission, you must make sure you have their consent to share this data with us.

5.0 General

- Bayes Business School reserves the right to make a final decision on any individual's eligibility for the awards.
- The judging process and the results are confidential and will not be shared.
- Judges are required to declare any conflict of interest and will not be allowed to judge entries in which they have any interest.
