OF MARITIME STUDIES EXCELLENCE

Safety performance excellence: Why – how?

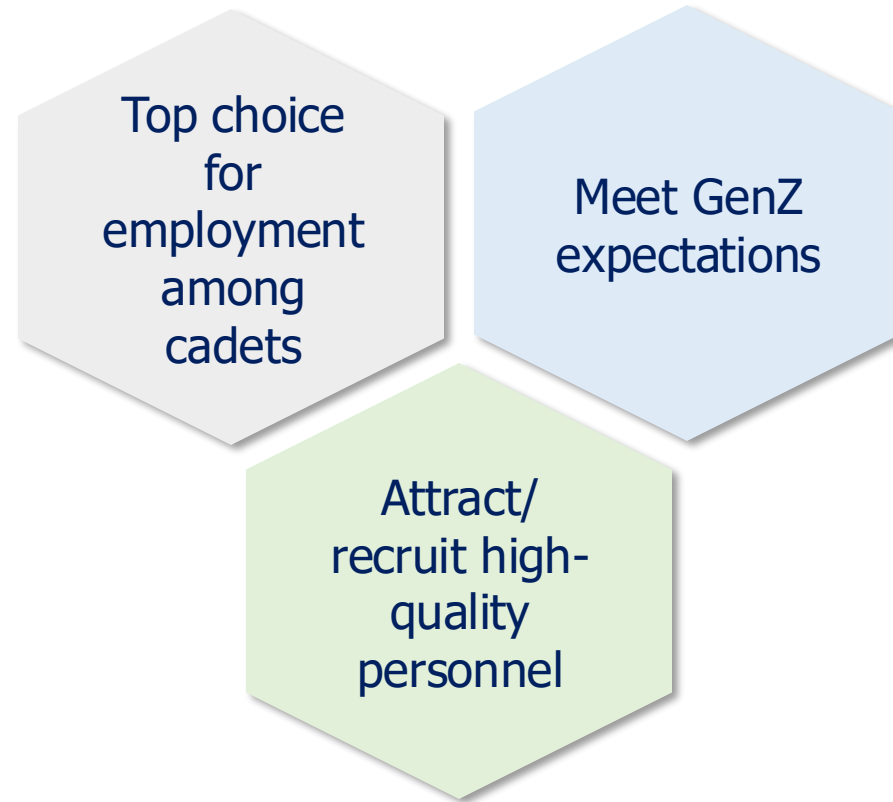

Safety performance and HRM – a paradigm shift

Collaborative relationship & the continuous improvement approach

Tanker shipping companies as employers of choice

The risk created by the operation of shadow fleets as regards to safety performance

Geopolitical Tensions

Dualism in the strategies of tanker companies

High performers - proactive approach on safety performance

vs

Lower performers - highest risks in unchartered waters

Is the safety performance of the sector at risk?

Thank you
