

Lived Experience Webinar - Poll Responses

Question 1

Where are you now in your journey towards meaningful involvement of those with lived experience as trustees on your board? Please make one choice.

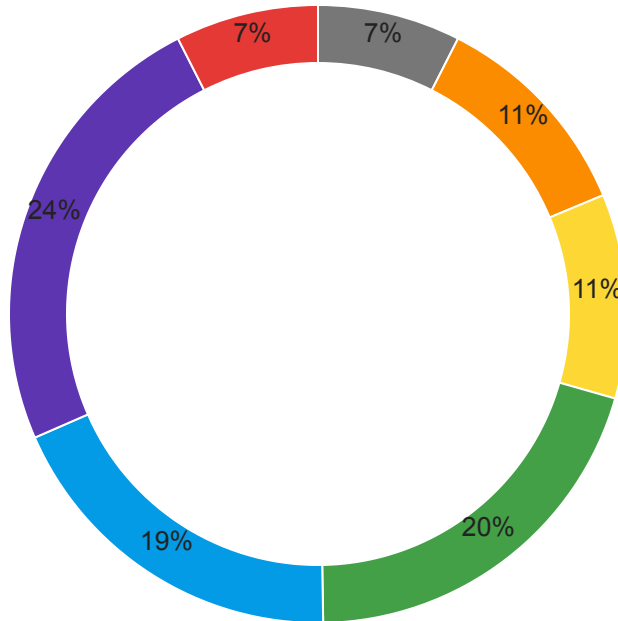

- 'we have made great strides; more to do, and still learning, but it feels good'
- 'we have good foundations in place and are ready to get even better'
- 'we've made a start'
- 'we're thinking about it'
- 'not yet on our radar'

No one selected the final option: 'we've got it right; always learning, but for now, it's spot on'

Question 2

Which of the following support structure do you have in place to underpin your work to involve people with lived experience on your board? Please select all that apply

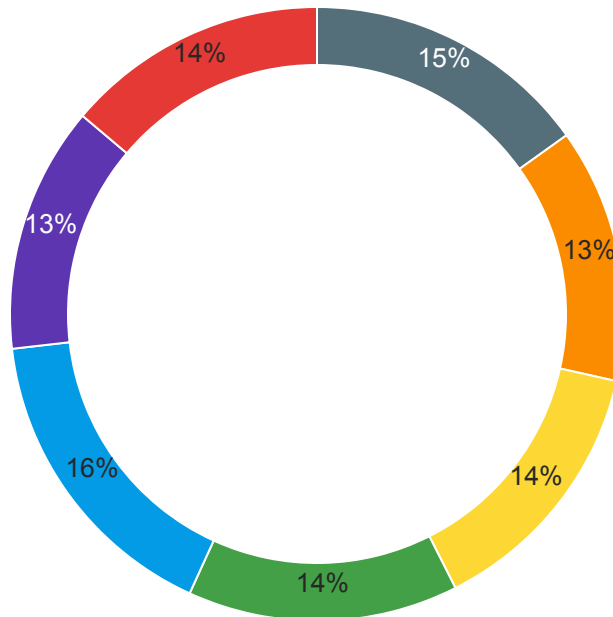

- Accessible board packs
- A mentoring programme for all new trustees
- Personal development planning for all trustees
- Clear and transparent policies making your expectations of all trustees really c...
- Competency based trustee recruitment and development that includes Lived Experie...
- An agreed goal in the strategy or board development plan to include trustees wit...
- Clear explanations on your website/in your Annual Report about what Lived Experi...

Changing more than a name
